CAC is a committee that works with the Superintendent. We offer advice and support on various topics that helps improve CSDR. Feedback, concerns and questions are always accepted. For each meeting there is an agenda, and if you believe you have something we should discuss about, let us know so we can add it to the agenda for the upcoming or next meeting.

CAC is always looking for **more** parents to be a part of this committee. This committee is community and parent oriented. We believe that parents are very important. If you are a parent and you are curious, please show up to the meeting. If you need an interpreter (English or Spanish), request us for one at least 2 days in advance so we can schedule one.
